Mission, Policies & Declaration**

MISSION STATEMENT

Australian Country Choice (ACC) is dedicated to the supply of safe, quality fresh meat products to Coles Myer Limited, through a vertically integrated supply chain committed to best practice in:

- Cattle breeding, backgrounding and feed lotting;
- Meat and food processing, including slaughter, boning, manufacturing, retail ready preparation and distribution.

ACC is committed to an ethical and sustainable business partnership with our producers, suppliers and customers. Our goal remains to achieve world's best practice in Environmental sustainability, Animal welfare, Beef production, Meat processing, Employee Health, Safety and Wellbeing and Customer satisfaction by striving for continuous improvement.

ENVIRONMENTAL POLICY

ACC is committed to responsible environmental management by:

- Compliance with legislated requirements and codes of practice;
- Identifying environmental aspects of its activities, products and services;
- Determining those aspects that have, or can have, significant impact(s) on the environment;
- Establishment of environmental objectives, targets and management plans incorporating cleaner processing technologies and subscription to greenhouse challenge, national packaging covenant and national pollutant inventory initiatives to minimise pollution and waste generation and optimise recycling;
- Provision of resources, defined responsibilities and accountabilities, training and competency assessment;
- Communication and reporting on environmental matters with government and industry bodies, the community, employees, suppliers and customers;
- Measurement, evaluation and review of effectiveness of environmental performance;
- Control of nonconformity through corrective and preventive action;
- Maintenance of an environmental management system compliant with ISO 14001.

The success of this policy will depend upon the commitment of management and employees towards responsible environmental practices.
