About the Program

Australian Country Choice (ACC) has operated out of our Cannon Hill processing facility for over 25 years. As a major employer in the local area, we're proud to be part of the community and committed to giving back in meaningful, practical ways.

To mark 25 years since the purchase of our processing facility, we're offering 25 grants to the groups making a difference in our neighbourhood. This program is about recognising and supporting local efforts that build connection, improve wellbeing, and contribute to a stronger community.
