About the Program

Australian Country Choice (ACC) has operated out of our Cannon Hill processing facility for over 25 years. As a major employer in the local area, we're proud to be part of the community and committed to giving back in meaningful, practical ways.

After the success of our 25-year anniversary program in 2025, ACC is expanding the Community Stakeholder Grants into a flexible, year-round model.

This program is about recognising and supporting local efforts that build connection, improve wellbeing, and contribute to a stronger community.

Application Process

To apply, simply complete the online Jotform application form available at [LINK] or email community@accbeef.net.au for assistance.

Applications close on the 20th of each month. Applications received after that date will automatically roll into the next month's assessment cycle.

Assessment Criteria

Projects will be assessed on:

Community benefit

Does the project make life better for people in our local area? We are looking for projects that involve the wider community, building connection or inclusion, and make a visible difference in every day life.

Practical impact

Is this idea realistic and ready to deliver? We are looking for a clear plan, value for money, and simple budgets that show what's being purchased or funded.

Ability to deliver

Can the group complete the project? We're looking for an example of a similar event or project your group, or its members, have completed. New groups can provide a short letter of support from their local Councillor, State Member or Federal Member.

Grant Conditions

Successful applicants must:

- Complete their project within 12 months
- Submit receipts and at least two photos showing the project or purchase in use within 12 months of completion
- Display an ACC-provided sign acknowledging the grant
- Agree to ACC using the photos and project details in our communications (social media, website, newsletters, etc.)

If the applicant is GST-registered, the grant amount will be paid exclusive of GST.

Payment Process

Following the application review period, successful applicants will be notified in the first week of August 2025 and will be invited to submit an invoice. ACC will provide the invoice template.

Payments are made via bank transfer once the invoice is received and verified.
